Sponsor Opportunities

The WaterFront Center is a 501(c)(3) nonprofit organization where only 75% of our operating expenses are covered by program fees. That does not include capital expenses for educational equipment, infrastructure, and boats.

It is with the generosity of our sponsors and donors that we can cover our costs and grow as an organization to serve our expanding community of students, scientists, veterans, sailors, and those with adaptive needs.

Your sponsorship not only helps us host events like our annual benefit but your generosity goes toward ensuring that everyone has access to the water for personal enrichment, and that through knowledge and enjoyable experiences they will become stewards of the environment.

Please register by May 9th to maximize the benefits of your sponsorship & ensure you are properly represented on all printed materials.
